

Engaging students before, during, and after the Great American Eclipse

When: Saturday, August 5, 2017 from 10 am – 1 pm

Where: First United Methodist Church Fellowship Hall, Winnsboro, SC

Register at: www.kristenlthompson.com/eclipse2017

Cost: FREE!

Led by astrophysicist Dr. Kristen Thompson of Davidson College, this workshop is designed to help K-12 educators and other community leaders (scouts, 4-H, church, etc.) prepare for the Great American Eclipse that will cross the United States on August 21, 2017.

Interactive strategies for engaging students before, during, and after the eclipse will be presented. Participants will receive instruction on basic eclipse science, learn about eclipse safety precautions, and learn how to excite students through various activities, models, and demonstrations. Small sets of solar viewing glasses will be provided to all participants and light snacks will be served.

To register for this workshop, fill out the registration form at www.kristenlthompson.com/eclipse2017 before Monday, July 31st. The workshop is FREE and space is limited to the first 15 registrants.
